Summary

"Success is not the key to happiness. Happiness is the key to success. If you love what you are doing, you will be successfull"
• I am a Computer Science & Engineering student at Guru Nanak Institutions Technical Campus, Hyderabad. I have developed a keen eagerness for Software Development and Web Development and having the exposure I find them intriguing.

• I am eager to hear about potential career opportunities, so I would be pleased to have offers for Internships to improve my skills. I am interested in Full-Stack Web Development.

• I'm an independent Developer who is passionate about bringing client's visions to life. My strongest skill is my Self-motivation and teamwork.

• Being able to gather client's requirements and translate those into an engaging, effective, and unique application. I am able to handle multiple tasks on a daily basis with honesty and loyalty.

My key skills include Python, Django, MongoDb, C, C++, Java(Basics), HTML, CSS, JavaScript, Web Development, Software Development.
